

# GroveGROUPS Discussion Guide

## 4Gs ~ Week 4 ~ GO

### OVERVIEW

This is IT, your final week in the 4Gs! Your video and discussion today will be led by our pastor, Bill Clark. In it, you will be challenged to take what you've learned in the last three weeks- GATHER, GROW and GIVE and use them to partner with Hickory Grove in an effort to Bless NKY and Build God's Family.

### ICEBREAKER

In what ways do you see evidence of hurt, brokenness and lostness in NKY, your own community and in your circles of relationships?

**DISCUSSION QUESTIONS- "Leader Reminder" Use the questions, verses or quotes that work best for your group. There is no expectation to use every question. Leave space for true conversation, conviction, confession and prayer in your group.**

1. **READ** (Or have other members in your group read) Matthew 28:19-20, 1 Corinthians 12:27 and Luke 10:27.
2. Bill said that God has uniquely constructed our lives to be a blessing to others. Is there anyone God has placed in your life to bless you in ways that have drawn you closer to Him?  
Right off the top of your head, what are some ways you could easily and immediately begin to bless people where you work, live, study and play?
3. What can the church do to give more people an opportunity to know how much God loves them? In what ways do you think you can personally help with that?
4. Of the three spheres of life most people have (where we live, where we work and where we play) which one seems easiest to bless others in for you? Which one seems harder for you?
5. Take time to pray as a group for God to begin using each of you to BLESS and love others in your neighborhoods, in your jobs and where you spend your free time.
