4Gs ~ Week 3 ~ GIVE

OVERVIEW

Our 4Gs at Hickory Grove are Gather, Grow, Give and Go and today we'll focus on the third G- GIVE. Giving of our time, our talents and our treasure allows us to join in the mission of blessing Northern Kentucky and building God's family in the process.

ICEBREAKER

Have you ever had the opportunity to see a need in someone's life and meet it? How did that experience impact the person? How were you impacted?

DISCUSSION QUESTIONS- *"Leader Reminder" Use the questions, verses or quotes that work best for your group. There is no expectation to use every question. Leave space for true conversation, conviction, confession and prayer in your group.*

1. READ Matthew 6:21
2. Is Travis' statement, "Look at your calendar and look at your bank statement...those will reveal your priorities" a true statement for your family?
3. If you took a hard look at where your time and money go, are there areas you would love to be able to change?
4. Why is it important to give?
5. Share with your group what you are good at or things you love to spend your time doing.
6. Travis talked about several team member opportunities at The Grove. Of the teams he mentioned, did any of them grab your attention or make you feel like you'd be a good fit for?
7. As your wrap up your time today, take time to pray for God to open doors for your group to find the best places for your time, talent and treasure to go.
