

GroveGROUPS Discussion Guide

4Gs ~ Week 2 ~ GROW

OVERVIEW

This week the topic is growth. We can and should be growing as individuals in our own personal relationships with Jesus but we are also called to walk together and grow as groups. Use the video and this guide to encourage all members to think about the challenges and benefits of growing with Jesus alone and in a group.

ICEBREAKER

In the video, Missy talked about her journey from “the door” to a “small group”. Take time for each member of the group to answer this question, “How did I get here?”

DISCUSSION QUESTIONS- “Leader Reminder” Use the questions, verses or quotes that work best for your group. There is no expectation to use every question. Leave space for true conversation, conviction, confession and prayer in your group.

1. Finding time and the right resources to grow individually can be hard. Share tips and tricks you use to grow in your relationship with Jesus. *(Examples- setting a reminder to pray for others, reading the YouVersion verse of the day, a certain study or bible plan you’ve used, a mentor relationship that is helpful.)*
2. Have different members of the group read the following verses, and be prepared to identify the “one anothers” in each verse.
 - 1 John 4:7, Hebrews 10:25, James 5:16, 1 Thessalonians 5:11
3. Talk about a time when you have felt encouraged and supported by others. What were the circumstances and how did it impact you?
4. Life can be crazy and busy at times. Meeting in a group takes commitment and intentionality. What barriers could there be for you to meet with a small group regularly? How did you overcome those barriers to meet today?
5. Take time to pray as a group. Pray specifically that God removes any barriers that may make individual and group growth challenging.

NEXT STEPS-

- Is there a “next step” you’re feeling you should take for your own spiritual growth?
- Is there a “next step” you can take to help your group continue to grow?
