

***Hey neighbor, I would like to help!***

If you need some extra help due to self-isolating with shopping, running errands, a phone call, or prayer...I will do my best to help you (FOR FREE).

WHY? God wants me to be a good neighbor and I do too! We all could use some more kindness during this COVID-19 crisis, but we don't know whom to ask.

HOW? You can text or call me. I am very aware that this disease is contagious so I will avoid physical contact and use appropriate social distance. I can drop items off at your doorstep and make sure that you get them!
